- a. This modification is issued to add a line item for the overtime requirements in support of the relocation of the flying IEU from Room #E101 to its original location, Room #B111, Bldg 2320 and to add Revised Page TE5b-9 which was inadvertently missing from Modification P00009. - c. Remove and replace TE5b-9 with REVISED PAGE TE5b-9 which adds beepers furnished by the government for use in performance of duties.
- d. All other terms and conditions remain unchanged.
